

Community Knights Committees

- Marketing/Development Committee – Chair by Jennifer Brown
We will meet monthly and work to document the impact of GIFT grants on the Virginia Peninsula. We will cover events, write blogs, organize presentations for School Boards, City Councils and other Community Organizations on the good work all involved are doing. This process is designed to highlight both Community Knights and all GIFT Participating Organizations.
- Jackpot Bash Committee – Chair Amanda Jackson
This committee will be tasked with planning and running the annual Jackpot Bash Fundraiser.
- Give Local 757 Committee – Open Board Chair
This committee will be tasked with planning and running the Local 757 fundraising campaign
- GIFT Fundraising Committee – Co-Chairs Teresa Michener & Jennifer Brown
This is all things Bingo and any other large scale fundraisers that will fund the grant pool for the GIFT program.
- Quarterly Open House Celebrations and Annual Awards Dinner Committee – Open Board Chair
Teresa Michener and Jennifer Brown will also be involved on this committee.
Beginning in September we will be holding quarterly open house celebrations where GIFT participants can pick up their grant checks (if their close out statements for past grants are approved) and celebrate the quarter's accomplishments. We also want to have an annual awards dinner where all stake holders of the GIFT program are recognized.
